Material Safety Data Sheet – Trichloroethylene

SECTION I · PRODUCT IDENTIFICATION

CHEMTREC – 24HR Emergency Telephone 1-800-424-9300

Manufacturers Address: Information Phone: (912) 443-6702
916 West Lathrop Avenue Date Prepared: 23 Sept 08
Savannah, Georgia 31415 Preparer: F. Spaeth

Synonym: Ethylene Trichloride, Trichlor. 0- Minimal 1- Slight 2- Moderate
Chemical Family: Chlorinated Aliphatic 3- Serious 4- Extreme

SECTION II · HAZARDOUS INGREDIENTS

SECTION III · HAZARDOUS IDENTIFICATION

Potential Acute Health Effects: Liquid contact is an irritant to eye and skin tissue. Swallowing small amounts is unlikely to cause any adverse effects.

Potential Chronic Health Effects: Repeated exposure to high levels produces adverse effects on the liver and to a lesser extent on the kidneys.

SECTION IV · PHYSICAL and CHEMICAL PROPERTIES

Boiling Point Range: 189 °F
pH: NA
Solubility in Water: Slightly soluble.
Appearance/Odor: Clear colorless liquid with sweet odor.
Melting Point/Freezing Point: No available data.

Vapor Density (Air=1): 4.5
Vapor Pressure (mmHg): 59
VOC %: No available data.
Specific Gravity (H₂O=1): 1.46

SECTION V · FIRE FIGHTING MEASURES

Flash Point: None
Auto Ignition: 770 °F
Extinguishing Media: As apparent to surrounding fire.
Flammable Limits: Lower: None Upper: None

Fire Fighting Procedures: Evacuate the area and fight from a safe distance. Cool fire-exposed containers with water spray to prevent container weakening and possible rupture. Do not enter fire zone without self-contained breathing apparatus (SCBA) and structural firefighter’s protective clothing.

Unusual Fire and Explosion Hazards: Explosive mixtures of Trichloroethylene and air can be formed, but are difficult to ignite and require high intensity sources of heat.

SECTION VI · STABILITY AND REACTIVITY

Stability: Stable.
Conditions to Avoid: Red hot surfaces and Open Flames
Incompatibility: Avoid contact with powdered metals and strong alkali.
Hazardous Decomposition Products: Oxides of Carbon, hydrogen chloride and phosgene.
Hazardous Polymerization: Will not occur.
SECTION VII · STORAGE AND HANDLING

Precautions To Be Taken In Handling and Storage: Do not use in confined spaces. Always store in tightly sealed, properly labeled, original container. Store in a cool, dry well ventilated area.
Other Precautions: DO NOT get in eyes, on skin, or on clothing. DO NOT breath vapors, mist, or fumes. DO NOT swallow. May be aspirated into the lungs which could be fatal.

SECTION VIII · HEALTH AND FIRST AID

Skin: Slight/Mildly irritating. Can be absorbed through the skin.
Eyes: Vapors may be irritating. Irritation accompanied by redness.
Inhalation: High vapor concentrations may be irritating to respiratory system. Breathing of vapor may cause headaches, irritation of throat and may cause central nervous system depression.
Ingestion: May cause gastric distress, diarrhea and vomiting.

FIRST AID PROCEDURES:
Eyes: Flush with large amounts of cool running water for at least 15 minutes. If irritation persists get medical attention.
Skin: Wash skin with soap and water. If irritation persists seek medical attention.
Inhalation: For excessive inhalation remove to fresh air. If breathing is difficult seek medical attention.
Ingestion: DO NOT induce vomiting. Drink large amounts of water or milk. Seek medical attention immediately.

SECTION IX · EXPOSURE CONTROLS / PERSONAL PROTECTION

Eye Protection: Eye Protection when pouring. Goggles, safety glasses with side shields are recommended.
Respiratory Protection: Where adequate ventilation is not available an approved NIOSH respirator must be worn. In confined areas, use a self-contained breathing apparatus.
Skin Protection: Use suitable chemically resistant gloves, and clothing.
Ventilation: General Mechanical ventilation to prevent TLV from exceeding control limits.
Protective Clothing: Selection of protective clothing depends on potential exposure conditions and may include gloves, and other protective items.
Other Equipment: Eye wash station and shower in close proximity to use are advised

SECTION X · ACCIDENTAL RELEASE MEASURES

Small Spill: Isolate and stop source of spill provided it is safe to do so. Absorb on inert media and collect into suitable container. Wear necessary PPE.
Large Spill: Shut off or plug source of spill provided it is safe to do so. Dike area to contain spill. Salvage as much liquid as possible into a suitable container. Absorb residual on inert media and collect into suitable container. Do not allow material to enter drains, sewers or waterways.
Personal Protection in Case of Large Spill: Wear protective equipment and/or garments as described in Section IX as conditions warrant.

SECTION XI · DISPOSAL CONSIDERATIONS

Waste Disposal Method: Solvent residues must not be allowed to enter drains, sewers or waterways or to contaminate the ground.
Follow local, state and federal regulations for disposal.
SECTION XII · TRANSPORTATION

Proper Shipping Name: Trichloroethylene
Hazard Class: 6.1
UN Number: 1710
Packaging Group: III

SECTION XIII · TOXICOLOGY

Carcinogenicity: Trichloroethylene is listed by NTP as ‘reasonably anticipated to be a human carcinogen’ and by IARC as a Group 2A carcinogen.
Mutagenicity: No data available.
Reproductive: No data available.
Sensitization: Not considered a sensitizer

SECTION XIV · REGULATORY

RMP/PSM: Not listed.
CERCLA-RQ: 100 LBS
EPCRA 311/312: Yes See Sections III and VIII.
EPCRA 313: Yes
FIFRA: No documented information available.
RCRA-CODE: U228
TSCA: Listed

SECTION XV · OTHER INFORMATION

The information contained on this Material Safety Data Sheet is considered accurate as of the date of publication. It is not necessarily all inclusive nor fully adequate in every circumstance. The suggestions should not be confused with, nor followed in violation of applicable laws, regulations, rules or insurance requirements. No warranty, express or implied, of merchantability, fitness, accuracy of data, or the results to be obtained from the use thereof is made. The vendor assumes no responsibility for injury or damages resulting from the inappropriate use of this product.
